

MD. MAHFUJ MONIR

Mobile: +8801876-106615 | Email: mdmahfujmonir@gmail.com

Present Address: Purbadhala, Netrokona, Mymensingh Division, Bangladesh

Permanent Address: Dhara, Khalishaur, Purbadhala, Netrokona, Bangladesh

PROFESSIONAL SUMMARY

• Motivated and detail-oriented Diploma in Electrical Engineering student with hands-on experience in industrial automation, electrical installation, motor control systems, and PLC programming. Skilled in electrical troubleshooting, industrial control systems, AutoCAD drafting, and electrical maintenance. Experienced in working with VFD, HMI, Servo Drive, Modbus communication, and switchgear systems through academic projects and industrial attachment training. Seeking an internship or entry-level opportunity in industrial automation and electrical engineering to apply technical expertise and contribute to organizational growth.

TECHNICAL SKILLS

- Automation & Control Systems: PLC Programming & Connection Fundamentals, VFD Configuration, HMI Interface Setup, Servo Drive Operation, Modbus Communication Basic, Industrial Automation Fundamentals
- Electrical Engineering & Wiring: Industrial & Electrical House Wiring, Motor Control Circuits, Relay & Magnetic Contactor Connections, 3-Phase Failure Protection Systems, Switchgear & Protection Systems, Rectifier Circuits, Temperature Control Systems
- Maintenance & Troubleshooting: Electrical Troubleshooting, Equipment Maintenance, Circuit Diagnostics, Industrial Control Panel Testing, Fault Detection & Repair
- Software & Engineering Tools: AutoCAD 2D Drafting, Microsoft Office (Word, Excel, PowerPoint), Digital Literacy & Technical Documentation
- Core Professional Skills: Team Collaboration, Technical Problem Solving, Leadership, Effective Communication, Adaptability

COMPUTER & DIGITAL SKILLS

- Advanced Web Research & Information Gathering
- B2B Lead Generation & Sourcing Fundamentals
- Computer Hardware & Software Troubleshooting Basic
- Internet Browsing, Data Management & Tech-Savvy Problem Solving

EDUCATION

Diploma in Electrical Engineering

Mymensingh Polytechnic Institute | Passing Year: 2026

Result: CGPA 3.42 out of 4.00

SSC (Vocational – General Mechanics)

Purbadhala J.M. Govt. Pilot High School | Passing Year: 2021

Result: GPA 4.89 out of 5.00

TRAINING & CERTIFICATIONS

- Industrial Attachment Training – Multipurpose Engineering & Industrial Automation (MEIA) | Sept 2025 – Nov 2025
- EIM (Electrical Installation and Maintenance) – BMET, TTC Mymensingh
- Computer Office Application – Right Click IT Institute, Mymensingh | Grade: A+
- AutoCAD 2D Training – Right Click IT Institute, Mymensingh | Grade: A+

ACADEMIC PROJECTS

- PLC Based Star-Delta and Reverse Forward Motor Control System – Designed and implemented a PLC-based industrial motor control system integrating Star-Delta starter, Forward-Reverse operations, and 3-Phase Failure Protection. Performed control wiring, PLC connections, troubleshooting, and testing.
- House Wiring Setup Project with Practical Installation – Completed a practical house wiring installation project including load calculations and integration of switches, breakers, protection devices, and load distribution systems.

ADDITIONAL SKILLS

- Motorcycle & Private Car Driving (Licensed)

LANGUAGE PROFICIENCY

- Bangla — Native
- English — Good in Reading, Writing & Speaking
